

Little Tots is an exciting series which incorporates the most effective and modern teaching methodologies providing flexibility by including both core and extension activities. Children develop their pre-writing skills, play and develop hands-on projects and cross-curricular activities.

- ★ It considers student's own pace. It has activities for the Pre-production, Early Production, and Speech Emergence phases.
- ★ It complements the *Bases Curriculares de la Educación Parvularia* and the **MPA** through its different activities which help students to get the levels proposed for Pre-school education.
- ★ Its Teacher's guide is written in Spanish, facilitating Pre-school teacher's use and application of the programme.
- ★ It helps Pre-school teachers to extend the English lesson to different moments other than the lesson itself.
- ★ It helps students to develop phonological conscience by providing them with pre-reading and pre-writing activities.
- ★ It provides flexibility by including both core and extension activities.
- ★ It contains games, hands-on projects and cross-curricular activities.
- ★ It provides songs and rhymes to sing along with and role play.
- ★ The series incorporates clearly identified activities to develop all the skills related to their ages and invites the family to be part of the student's learning.

The series also offers teachers the possibility to explore more activities on its web page www.mijardin.cl
